INSTANT PIN GENERATION

Card Number * :

Card Holder Name :

Mobile Number :

Email Id :

Reason* :

Select Reason
Forgot Pin
Pin not Received
PIN verification failed
Change PIN

Expiry Date(YMM)* :

Note : One Time Password would be send to your Mobile Number.Please re-initiate the request in case you do not receive the same.

Please confirm your Mobile Number to receive One Time Password.

6. Enter the OTP received on your registered mobile number:

The screenshot shows the 'INSTANT PIN GENERATION' form. On the left is a vertical menu with buttons: Card Balance, View Transactions, Hotlist, Card Replacement, Link More Cards, Update KYC, Instant PIN Generation, View Profile, Product Help, and FAQ's. The main form contains the following fields: Card Number* (5244 [] 1614), Card Holder Name (1), Email Id (), Reason* (Forgot Pin), Expiry Date(YMMM)* (2101), and One Time Password* (). A red box highlights the One Time Password field. Below the form, a message reads 'Please enter your OTP. This OTP is valid for 30 mins.' and a 'Continue' button is visible.

7. Click on 'Continue':

This screenshot shows the same 'INSTANT PIN GENERATION' form as above. The 'One Time Password*' field now contains six dots (••••••). A red box highlights the 'Continue' button at the bottom of the form. The message 'Please enter your OTP. This OTP is valid for 30 mins.' remains visible above the button.

8. Enter new PIN & click on 'Submit':

The screenshot shows a web interface for card management. On the left is a vertical menu with buttons: View Transactions, Hotlist, Card Replacement, Link More Cards, Update KYC, Instant PIN Generation, View Profile, Product Help, and FAQ's. The main area contains a form with the following fields: Card Number* (5244 1614), Card Holder Name, Email Id, Reason* (Forgot Pin), and Expiry Date(YMMM)* (2101). Below these are two PIN input fields, each with a red border and the text 'New Pin*' and 'Confirm New Pin*' respectively. Each field contains four dots and is followed by the instruction 'Please enter four digit PIN Number.'. At the bottom are 'Submit' and 'Cancel' buttons, with the 'Submit' button highlighted with a red border.

9. PIN reset successful message.

The screenshot shows the same form as above, but with the 'New Pin*' and 'Confirm New Pin*' fields empty. Below the 'Submit' and 'Cancel' buttons, a green message box with a red border contains the text: 'Pin has been Reset successfully as per your request.'

10. Card can be used at a POS/EDC machine right away with the new PIN.
